Edition 23: Friday 6th March 2026

Dear Parents and Carers

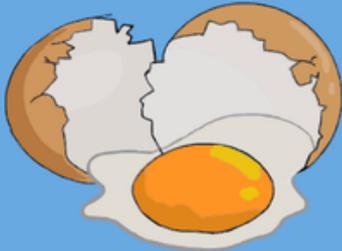

Thanks for all the recent fundraising folks!

Miss Taya Harding's **Cake Sale** to support her **London Marathon** run raised **£478.00**

Attendance Matters

When children are absent from school, regardless of their age or year group, they inevitably miss important experiences. This absence means they miss out on playing with their friends and engaging in shared activities.

92% attendance
10 days absent

is like paying for a dozen eggs but only getting 11

90% attendance

19 days absent

is like leaving a football match in the 81st minute (and missing all the injury time goals)

85% attendance
29 days absent

is like trying to win at rugby sevens with only six players

80% attendance

A, E, I, O, U

39 days absent

is like only being allowed to use four vowels

75% attendance

44 days absent

is like ordering a pizza that's missing two slices

If you are struggling to get your child to school for any reason, or you need advice on attendance, please check in with any member of staff.

We want to help you - no judgement... :)

NEWSLETTER

Edition 23: Friday 6th March 2026
