- Follow 5 different directional instructions
- Ask where a place is and respond with a description of relative distance (nearby/far away)
- Use prepositions to give the precise location of a given place around town
- To hold a conversation with another with a partner about where places are in a town in French.

Homework

Homework will be set in various ways: on **maths.co.uk**, on **spag.com**, on **Seesaw** or on **paper**. Children will have one week to complete their homework. We would also encourage children to support their learning using the **CGP books** that were given out in the autumn term.

In addition, children should practise their **spellings** on a weekly basis, using **edshed.com** as a learning tool. Spelling tests will be on Mondays.

Please continue to **read regularly** and practise **times-tables** using **ttrackstars.com** Login details for all the above websites/apps have been sent home, but if you require a reminder please get in touch.

Please support and encourage your child with their homework, although it should primarily be their own work.
